RE: Security Regulations for Court of Review

Dear Judge MacKinnon:

I refer to our previous correspondence on proposed security regulations for the United States Foreign Intelligence Surveillance Court of Review. Your letter of August 27, 1979, suggested incorporation by reference of the security regulations prepared for and adopted by the Surveillance Court, with modifications as necessary. A proposed set of regulations along those lines is enclosed, together with an information copy of the lower court's regulations which would be incorporated by reference. I have coordinated this proposal with counsel for the Director of Central Intelligence and with Mr. Robert Erdahl, Legal Officer for the Court. I submit them to you for consideration.

I'm pleased to advise that the December 14th date for briefings for you and your colleagues fits in with schedules here. We are developing a program. I will be in touch soon with specifics.

Sincerely,

[Redacted Signature]
